**Subject: - Offer for Final Semester Project Training.**

Dear Prem,

Congratulations! You have got selected to be trained at "Inventyv Software Services Pvt. Ltd." for your final semester studies

You are requested to join us for the internship on **15th December, 2025**. Changes in the date of your joining or training arrangements will be communicated to you well in advance, if there is any.

You will be offered training in the latest technologies through systematic and well-designed practical learning programs. Initial basic training programs will remain common for all interns.

Monthly **INR. 10000** stipend will be given to you during the course of the training period. As per the data security policy, you are advised to use your own laptop/computer system and connectivity during training from Inventyv until we give you further instructions to start internship from an office location.

You are requested to send us scanned copies of below documents on the day of your joining:

1. 2 Passport Size Photographs
2. All relevant Educational Certificates/Mark Sheets – SSC, HSC, Graduation, Post-Graduation
3. Aadhar Card
4. Pan Card (Must)
5. College's Letter / No Objection Certificate

We look forward for your long-term association with us.

**Regards,**

**Ankita Tanawala**  
**HR Manager**
